Akiba Fest J-Rock Fashion Show Registration Cont.

- 6) All participants **MUST** have reference material of the band member you are portraying. Books, toys, cards, any sort of memorabilia is accepted, as without proper reference material, the judges cannot assess the visual accuracy of a costume.
- 7) Costumes will be assessed prior to the stage during registration of your costume for the fashion show. Craftsmanship is the assessment of the costumer's skill at making a costume. Although it is **NOT** a requirement that you make your costume, it is highly recommended that you put as much personal work into your outfit as possible. Again, our judges will be judging entries on their visual resemblance to live band members, as well as assessing the quality of the costumes.
